SAP[®]

Business One

SAP - BUSINESS ONE

Pilecubes Technology Solutions an Extended Business Partner for SAP represents SAP's Business One product which is a COST-EFFECTIVE ERP SOFTWARE.

The SAP Business One application is an affordable, integrated business management solution designed specifically for small and midsize businesses and divisions of large corporations.

SAP allows you to spend less money and IT effort on implementing and managing solutions.

Web

Design & Development

WEB & MULTIMEDIA SOLUTION

The most impressive websites and app experiences are rooted in smart design, embody clear vision, and are backed by the right technology. Best-in-class digital projects require technology that perfectly supports the design.

We rely on the right tools for the job, not a one-size-fits-all tech stack.

At Pilecubes Technology Solutions, professionals put great efforts to ensure that each of our clients receives an outstanding UI/UX design service.

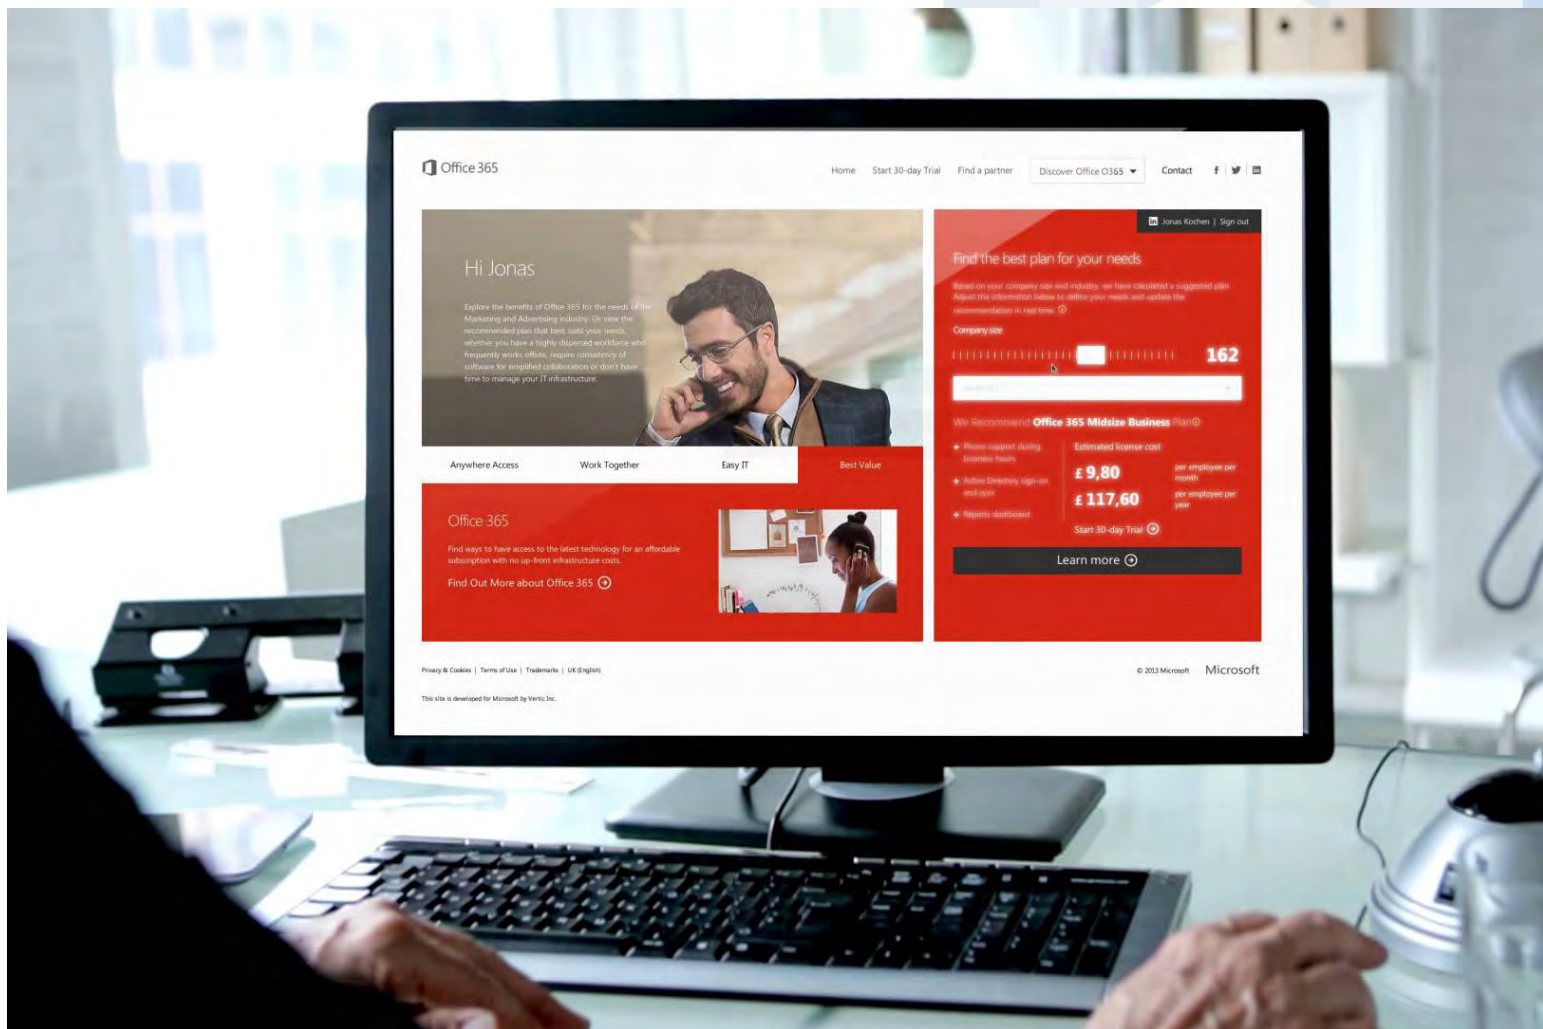

Office 365

MICROSOFT CLOUD

Get the value and simplicity of Microsoft® Office 365 and Azure for small businesses, a set of web-enabled tools that let you access your email, documents, contacts, and calendars from virtually anywhere, on almost any device.

The service brings together Online versions of the best communications and collaboration tools from **Microsoft**, at a price that small businesses can afford.

Work from virtually anywhere, be productive on the go.

DIGITAL MARKETING

DIGITAL MARKETING

Digital marketing has been rising in popularity over the last several years. And there's a simple reason why: the world is online.

If you have a small business or a start-up, you probably don't have much money, time, or manpower to invest into traditional marketing techniques. But that's okay! You don't need a fancy building with hundreds of people on staff. You just need a simple but solid digital marketing strategy..

We can offer our successful suggestion for SEO, PPC, Social Media Marketing to name a few.
